

## “EduConnect : Distance Learning”

Volume 1.     Issue 7.     October 2025

### NIRF Ranking Celebration at SGVU

**Suresh Gyan Vihar University (SGVU)** proudly celebrated its remarkable achievement in the **National Institutional Ranking Framework (NIRF) 2025**. The celebration marked a moment of pride, reflecting the University's consistent commitment to **academic excellence, innovation, and quality education**. Hon'ble authorities, faculty members, and students gathered to acknowledge this milestone and reaffirm their dedication to maintaining high standards in **teaching, research, and institutional development**. The event highlighted SGVU's focus on continuous improvement and contribution to national educational goals. The achievement serves as an inspiration for the entire academic community to strive for greater excellence.

### Faculty Development Programme on Emerging AI Tools in Education

The **Centre for Distance and Online Education (CDOE), Suresh Gyan Vihar University** organized a Faculty Development Programme (FDP) on the theme "**Emerging AI as a Powerful Tool in the Area of Education.**" The offline session was graced by Prof. (Dr.) T. K. Jain, Director, CDOE; Dr. Ankur Dutt Sharma, Joint Director, CDOE; and Prof. Pradeep Kumar Shrivastava, SGVU. The session focused on the **growing role of Artificial Intelligence in transforming teaching, learning, and assessment practices**. Various AI-based tools and platforms beneficial for faculty members were discussed to enhance academic efficiency, content creation, and learner engagement. In addition to the offline session, two online sessions were conducted in collaboration with **CAMU** and on **Economic Outlook**, providing participants with insights into **digital academic management and future educational trends**. The FDP successfully encouraged faculty members to integrate technology with pedagogy for improved educational outcomes.

### Diwali Celebration at SGVU

**Suresh Gyan Vihar University (SGVU)** celebrated the **festive of lights, Diwali, with great enthusiasm and joy**. The campus was beautifully decorated with diyas and rangoli, creating a festive atmosphere of warmth and togetherness. Faculty members and staff came together to celebrate the occasion, sharing sweets and festive greetings. The celebration reflected the spirit of unity, positivity, and cultural harmony that defines SGVU. Diwali at SGVU was not just a festival, but a **moment to appreciate teamwork, strengthen bonds, and spread happiness across the campus community**. The event concluded with smiles, laughter, and renewed energy for the days ahead.

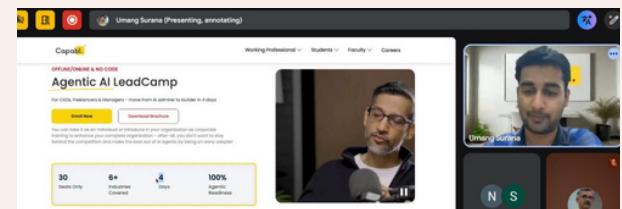

### Student Spotlight: Dhruv Mukesh Shah

**Dhruv Mukesh Shah, a dedicated student of the BBA program (2022–2025 batch) at CDOE, SGVU**, has demonstrated consistent academic commitment and a strong interest in global business trends. Throughout his course, he actively engaged in various learning activities, strengthening his managerial and analytical skills. Dhruv is now planning to pursue his **MBA from the USA**, aiming to enhance his international exposure and professional growth. His aspiration reflects his hard work, clarity of vision, and determination to build a successful career in the global business arena. CDOE, SGVU wishes him all the best for his future journey.

## Two-Day AI Training Program by Capabl in Collaboration with CDOE, SGVU

A two-day training program on “How to Use AI” was successfully conducted by Capabl, a specialized institution known for its expertise in AI training, in collaboration with the Centre for Distance & Online Education (CDOE), SGVU.

The program aimed to familiarise participants and students with practical applications of **Artificial Intelligence in education, workplace tasks, and daily activities**. Trainers from Capabl provided hands-on demonstrations, interactive sessions, and real-time examples to help learners understand AI tools effectively. This initiative strengthened digital skills and empowered participants to integrate AI confidently into their academic and professional work.

## Invitation to International Student Research Conference (ISRC2025)

The 3rd edition of the **International Student Research Conference (ISRC2025)** invites DBA graduates and researchers to a dynamic global academic platform scheduled on **5–6 December 2025** in a fully online format. This year's theme, **“Bridging Classrooms and Careers: Innovation, Intelligence & Inclusion,”** highlights research that links learning with leadership and theory with real-world application.

ISRC2025 welcomes submissions from all areas of business and management under four key tracks: People, Purpose & Performance; Markets, Media & Mindshare; Finance, Foresight & Future Enterprises; and Systems, Sustainability & Strategic Futures. Participants can also take part in the Digital Poster Competition and compete for awards, including **Best Paper (AED 1000)**, **Poster Winner (AED 500)**, and **Runner-Up (AED 250)**.

Registration and participation are completely free, and all attendees will receive e-certificates. For details and registration, visit the official website. <https://isrc.mywestford.com/>

### Digital Transformation: A Key Focus for Today's Management Students

**Digital transformation** has become one of the most relevant topics for modern management education. As businesses increasingly rely on technology to **improve efficiency, customer experience, and decision-making**, **management students must understand how digital tools and strategies shape organizational success**. Today, companies operate in fast-changing environments influenced by **automation, Artificial Intelligence, data analytics, cloud platforms, and digital marketing**. Managers who can navigate these tools gain a strong advantage in leading teams and solving complex business challenges. For students, learning digital concepts is essential not only for academic growth but also for future employability. Organizations look for professionals who can **interpret data, adapt to new technologies, and make informed, strategic decisions**. **Digital leadership—guiding teams through technological change—is also becoming a critical skill**.

Digital transformation opens career opportunities in business analytics, operations, technology management, and digital marketing. Students equipped with digital knowledge stand out in the competitive job market.

In essence, digital transformation is reshaping how businesses operate and how managers lead. By mastering these skills, management students can contribute to innovation, drive organizational growth, and remain future-ready in a technology-driven world.
