SGVU's Dr. Suraj Kumar Singh Recognized Among World's Top Scientists

Suresh Gyan Vihar University (SGVU), Jaipur, is celebrating a landmark achievement as **Dr. Suraj Kumar Singh, Director of the Centre for Climate Change and Water Research (C3WR)**, has been named among the **World's Top 2% Most-Cited Scientists in the prestigious Stanford University Global Scientist Ranking 2025**. This globally recognized list, compiled annually by Stanford University in collaboration with Elsevier BV, identifies scientists whose published research has made a significant impact through citations, reflecting their influence in the global scientific community.

Dr. Singh's inclusion in this elite category is a testament to his pioneering contributions to **Climate Change, Geoinformatics, and Water Resource Management**. His extensive research, published in internationally reputed journals, focuses on integrating remote sensing, GIS, and geospatial analytics to understand environmental dynamics, manage natural resources, and mitigate the adverse impacts of climate change. This interdisciplinary work informs policies, drives innovation, and inspires global collaboration in addressing critical challenges.

As Director of C3WR, Dr. Singh has been instrumental in **transforming the center into a leading platform for climate and water research in India, initiating impactful projects like hydrological modeling and climate-resilient agriculture strategies**. His work has been widely cited by international scholars, underscoring its global relevance.

This recognition reinforces **SGVU's broader mission to cultivate academic excellence through innovation-driven research that meaningfully contributes to society and aligns with the UN Sustainable Development Goals (SDGs)**. The achievement places both Jaipur and SGVU on the global map of scientific excellence.

The university extends its heartfelt congratulations to Dr. Singh, whose achievement serves as a beacon of inspiration for the SGVU community. SGVU reaffirms its commitment as a research-driven institution bridging the gap between academia and global sustainability efforts.

Hindi Diwas

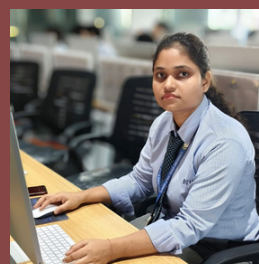

Hindi Diwas is observed every year on **14th September, 2025** to commemorate the adoption of Hindi as one of the **official languages of India**. It reminds us of the vital role Hindi plays in **uniting the nation through a shared linguistic identity**. The day emphasizes the significance of promoting and preserving Hindi as a **medium of expression, education, and administration**. Hindi not only connects diverse regions but also reflects **India's cultural richness and heritage**. SGVU recognizes Hindi as a language of inclusivity and accessibility in education, fostering connection among learners across regions.

Internship Completion Highlights

Alka and Ashu have successfully completed their **three-month internship at Suresh Gyan Vihar University, Jaipur, under the Centre for Distance & Online Education (CDOE) as LMS Support Interns**. During the internship, they gained **valuable hands-on experience in preparing and organizing LMS content, updating courses and modules, coordinating with faculty, and ensuring the smooth functioning of the learning management system**.

This opportunity significantly enhanced their technical skills, teamwork, and professional development, while providing practical exposure to the operations of a modern digital learning.

CDOE, SGVU Encourages Students to Use the Arattai App for Academic Support

The Centre for Distance & Online Education (CDOE), SGVU encourages all students to make use of the **Arattai app**, a secure and user-friendly messaging platform developed by **Zoho**. **Zoho** is a well-known **Indian technology** company that creates software for businesses and individuals. It provides online tools like **email, office applications, customer management systems, and collaboration platforms** used by millions of people worldwide. Zoho is recognized for its focus on **data privacy, security, and user-friendly** products made in India.

Arattai is a secure and easy-to-use instant messaging app developed by Zoho. The word “**Arattai**” means “**chat**” in Tamil. The app allows users to **send messages, share files, make voice and video calls, and create groups for discussions**—just like other popular chat apps, but with a strong focus on privacy and Indian data security. Since it is developed by an Indian company, all data is stored safely within the country.

Students can contact **Prof. (Dr.) T K Jain, Director, CDOE**, via the app at **mobile number 9929106238** for guidance and academic support. This initiative aims to ensure timely assistance, smooth communication, and a better learning experience for all students.

Download the **Arattai app** today and stay connected for a smoother and more effective learning experience!

CDOE, SGVU and Eka Kanya Trust Unite for Girls' Education

The Centre for Distance and Online Education (CDOE), Suresh Gyan Vihar University, Jaipur, organized an interactive meeting with Eka Kanya Trust on 18th September 2025 to promote girls' education through online and regular programs. The session was graced by **Dr. T. K. Jain, Director**, and **Dr. Ankur Dutt Sharma, Joint Director, CDOE**, along with NGO representatives **Mrs. Ranjeeta Pareek, Mr. Rakshith, Ms. Sapna, and Ms. Kavita**—both SGVU alumni.

Dr. Jain, Dr. Sohit, and Dr. Kingshuk emphasized the importance of **empowering girls through quality and accessible education**. The guests interacted with students and visited the **Apple Lab and Central Library**, appreciating SGVU's digital learning infrastructure. **Appreciation letters and mementos** were presented to NGO members, marking a step forward in collaborative efforts toward inclusive education.

Student Highlights

The Centre for Distance & Online Education (CDOE), SGVU is pleased to share recent academic milestones of its students.

Ms. Anchal Sirohi has successfully completed her **Master of Business Administration (MBA) program for the session 2023–2025**. She has been issued a Provisional Certificate recognizing her accomplishment and enabling her to pursue professional and academic opportunities. The CDOE congratulates her dedication and hard work and wishes her continued success in her future endeavors.

Meanwhile, **Mr. Jaskaran Singh Makkar**, is currently enrolled in the **Bachelor of Business Administration (BBA) program at CDOE-SGVU for the academic session 2023–2025** and is expected to complete the program by October 2025. We wish him the very best as he progresses through his studies and continues to achieve academic excellence.

The CDOE takes pride in nurturing its students' growth and looks forward to celebrating more such milestones in the future.
