

Ombudsperson of University

Dr. Shaik Suleman is a distinguished academician and Professor of Practice in the Department of Politics and Public Administration at Andhra University, Visakhapatnam. With a Ph.D. in Public Administration, he has over three decades of experience in academia, research, and educational administration.

Previously, he served as General Manager (Projects) at EdCIL (India) Limited, where he led several national education projects, organized 14 national workshops on school and higher education, and facilitated international student placements under government scholarship programs. He has also played a key role in developing policy frameworks, feasibility reports, and strategic educational initiatives for various ministries.

Dr. Suleman has represented India in multiple international delegations, signing over 50 MOUs with reputed institutions worldwide. His expertise extends to public administration, education management, and policy advisory. A recipient of prestigious awards, he continues to contribute significantly to education reforms, skill development, and international collaborations.
